WELCOME ABOARD.
THE SAMARA CO. THANKS YOU FOR YOUR COPERATION.
ARE YOU READY TO VISIT THE PROMISED LAND?

"I LEAVE WITHOUT CEREMONY.
DON'T BE TO SORE I WANTED MORE.
MY SINCEREST APOLOGY."

An Octo Expansion charity fanzine

Hosted by Rodrigo & Kyla Carneiro

Splatoon, Splatoon 2 and Octo Expansion DLC © Nintendo

When we set out to complete this project, we hoped talented, enthusiastic artists would join us, and we hoped our online community would support us, but what we did not anticipate is receiving more than 900 artist applications and selling out of zines three times.

To the artists, thank you for giving your time, talent, and passion. You created a wonderful community where we could share, critique, and encourage one another. Your pieces are stunning, and this book is a testament to your work individually and as collaborators.

To you who bought this zine, THANK YOU! This project was a success because you bought a book and demanded we keep printing more. Your fervor kept this project going. Thank you for believing in the Octo Zine. Your donation is propelling forward the mission of St. Jude Children's Research Hospital to provide care at no charge to patients.

We hope you love what you're about to see.

Rodrigo & Kyla Carneiro

And thank you to Nintendo for building this world, underneath a place we already loved.
